Hello Preschool for All Pilot Sites,

I'm thrilled to extend a warm welcome to you, as Preschool for All enters the third year of serving Multnomah County's families.

We're excited to have you as part of Preschool for All (PFA), connecting 3 and 4-year-olds in Multnomah County to free, equitable, culturally responsive, and inclusive preschool experiences. The program will evolve over time, expanding its reach to more children and families each year, with the ultimate goal of universal availability by 2030.

Should you have any questions or need support, feel free to reach out to your support team.

I'm eagerly anticipating the opportunity to meet you during the welcome visits scheduled for this March/April.

Welcome,

Leslee Barnes
