

Educate older adults about transportation options. Conduct transportation personal needs assessment to determine eligibility of transportation services. Schedule & coordinate immediate cab rides for life-sustaining medical appointments, provide transit fare assistance (bus tickets and passes), and authorize door-to-door guaranteed rides.

Prioritization of rides:

Medical trips
(doctors, therapists, hospital, test, or health-related treatment) for non-Medicaid clients

Congregate nutrition sites

Multiple supportive services (i.e. Multicultural Centers, Senior Centers, etc.)

1090 unduplicated consumers served by District Senior Centers in FY 16

Open to culturally specific and culturally responsive organizations in RFPQ

Meet individuals to assess their transportation needs

Attend monthly transportation coordinator meetings

Trained staff enter client information into required database
