**Program Characteristics:** 

## **Executive Summary**

Members of the Facility Security Unit (FSU) serve as ambassadors of the Multnomah County Sheriff's Office (MCSO), and are often the first point of contact for people requiring assistance within the Multnomah County Library system. The presence of MCSO staff is often a deterrent to disruptions within the library facilities, reducing the need for a more involved law enforcement response.

#### **Program Summary**

The Facility Security Unit (FSU) is an integral part of providing a sense of safety and belonging within the Multnomah County Public Library system. Facility Security Officers (FSOs) provide a resource for persons needing public safety assistance or information and referrals to other public entities.

The FSOs are a deterrent to disruptions and criminal activity in the library. The FSOs provide a calm and safe atmosphere by managing these situations in a professional manner, using effective communication techniques. The presence of uniformed FSOs enables the library patrons to enjoy the libraries and conduct their business in a safe and inviting atmosphere.

The effectiveness of this work is demonstrated by the low number of instances in which police response is required, compared to the large number of patrons served.
