**Program Characteristics:** 

### **Executive Summary**

Purchasing oversees the County's goods and services procurement activities and provides leadership, expertise, and training to employees who perform purchasing functions. Purchasing supports departments to procure products and services in construction, materials, and both non-professional and professional services. Purchasing ensures appropriate and cost-efficient public procurement and contracting practices, including evaluating the economic, social, and environmental impacts of purchases.

### **Program Summary**

Purchasing provides leadership, policy oversight and monitoring, contract procurement, compliance, staff training, support services and overall accountability for several thousand contracts and hundreds of millions of dollars awarded each year.

Key efforts include the following: (1) safeguard the County from potential contractual risk and liability exposure; (2) functional administration of the County's procurement and contracting software; (3) ensure products and services are purchased in accordance with federal and state laws, procedures and regulations including County Administrative Procedures and rules established by Multnomah County's Public Contract Review Board (PCRB); (4) review and approve contract documents, review and approve contract changes and/or amendments and maintain official contract records; (5) research, analyze, recommend, and implement best business practices; (6) provide ongoing public purchasing guidance, support, training, and consultation to departments and employees; (7) track, monitor, analyze and annually report on contract data and performance measures; (8) maximize efforts to include and ensure participation of State Certification Office for Business Inclusion and Diversity (COBID) Certified suppliers (Disadvantaged Business Enterprises, Minorityowned, Women-owned, Service Disabled-owned and Emerging Small Businesses) and Qualified Rehabilitation Facilities (QRF); (9) participate in community events, meetings and conduct outreach to the COBID Certified supplier community and; (10) develop and implement sustainable purchasing policies, procedures and training.

Purchasing promotes the County's sustainability goals by ensuring sustainable practices of prospective suppliers, contractors and service providers are included as evaluation criteria in all contract awards over \$10,000. All Purchasing staff share in the education, training, and support of County staff to ensure sustainable purchasing practices.

Performance Measures								
Measure Type	Primary Measure	FY20 Actual	FY21 Budgeted	FY21 Estimate	FY22 Offer			
Output	Percent of contracts awarded to COBID Certified and QRF businesses	10%	7%	4%	8%			
Outcome	Number of sustained protest on formal procurements	0	0	0	0			
Output	Number of formal RFP and Bid solicitations issued	54	50	58	120			
Output	Number of contracts and amendments processed	989	1,000	1,000	1,000			

### **Performance Measures Descriptions**

Purchasing manages formal Request For Proposal (RFP) and bid solicitations (>\$150,000) for the County because those represent the greatest risk in the County's purchasing activity. Minimizing the number of sustained protests is an indicator of how well Purchasing is managing the risks associated with formal procurement processes. The output measures listed are good indicators of the volume of formal procurements we conduct and the contract processing activity across all County departments.

## **Legal / Contractual Obligation**

Oregon Revised Statutes (ORS) 279A, 279B, and 279C establish requirements affecting the County's procurement and contracting practices. The County establishes and implements Public Contract Review Board (PCRB) Rules and Administrative Procedures CON-1 and PUR-1 to define its procurement and contracting processes within the constraints of ORS requirements.

This program is primarily supported by General Fund revenues.

External revenues are generated primarily when fees are collected for services performed in response to public records requests.

# Significant Program Changes

Last Year this program was: FY 2021: 72005A FRM Purchasing

For FY22 Added 2.00 FTE in Central Purchasing (Procurement Analyst and Procurement Analyst Sr) and Materials & Services. These positions are needed to accommodate significant increases in the volume of formal (over \$150,000) procurements driven primarily by: 1) Library ballot measure passage, 2) Preschool for All ballot measure passage, 3) Increases in procurements related to A Home for Everyone, and 4) shifts in workload related to COVID response.
