Executive Summary

The Intergenerational Services program provides library services to Multhomah County residents underserved by traditional library means, including older and homebound adults, people with disabilities, and those who are institutionalized, incarcerated, or homeless. The goal of Intergenerational Services is to further the library goal of free access for all with a focus on community members unable to access in-person services at library locations. Library services are provided through books by mail, remote library services at partner sites, and home delivery.

Program Summary

The three primary service populations for Intergenerational Services are homebound older adults and people with disabilities, adults in custody in jails and prisons, and people experiencing houselessness. The goal of the program is to provide free access for all by providing accessible library services outside of library buildings and support education and learning for all ages.

To meet this goal, Intergenerational Services develops audience-specific collections and delivers books and other library materials and services to Multhomah County residents who are homebound, or who live in assisted living facilities, retirement homes, adult care homes, homeless shelters and transitional homes or jails in partnership with Multhomah County Sheriff's Office. In addition to providing library materials, outreach staff provide reader services, lead book and discussion groups in jails, and connect people with other library services and community resources.

Intergenerational Services will conduct an equity and inclusion analysis in the coming fiscal year. The analysis will identify gaps in services and will be used to inform and prioritize services for communities experiencing the greatest need. Intergenerational Services in the process of realigning our work to best provide relevant services to people served through our outreach programs and we anticipate significant changes to how our work is organized over the next fiscal year.

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would ... prevent reductions in services, programs and activities, and hours."
