

July 13, 2021

Greetings Lusted Road Neighbors,

A contractor working for the Portland Water Bureau plans some construction that will close a single lane of SE Lusted Road near Cottrell Road at times between July 19 and August 13. We wanted to let neighbors know about this work that will impact a Multnomah County road in your area.

Background

- The contractor will install pipes under Lusted Road for the Water Bureau's existing water treatment facility near Lusted Road.
- Lusted Road will remain open at all times. When one lane is closed, flaggers will direct traffic in the open lane. The lane closure will not be needed on all days.
- The lane closure will be on Lusted Road from the top of the hill near Cottrell Road to about 500 feet to the south.
- Most work will take place between 7 am and 5:30 pm, Monday through Friday, with occasional Saturday work.
- The construction schedule is subject to change.

For More Information:

- Portland Water Bureau
 - Email: bullrunprojects@portlandoregon.gov, phone: 503-865-6039
 - Website: <https://www.portland.gov/water/bullruntreatment/corrosion-control/construction/improved-corrosion-control-treatment>
- Multnomah County Transportation
 - Email: transportation@multco.us, phone: 503-988-5050
