## Overview

Passed by voters in November 2020, Preschool for All will provide access to high-quality, culturally responsive early learning with in-home providers, school districts, Head Starts, and center-based preschools in Multnomah County, with a focus on equity and inclusion.

The first Preschool for All slots will begin in September 2022.

### Program Information

There are two ways to participate: the Pathways Program and Pilot Sites.

### Focus Topics

This session will focus on Pilot Sites. We will share information and you will have the opportunity to ask questions.

### Inclusive for All

Spanish interpretation will be available. Please email [preschoolforall@multco.us](mailto:preschoolforall@multco.us) if you need interpretation in additional languages.
