Why are you interested in joining the Community Involvement Committee? What perspective, experience, or skills do you hope to bring to the group?

Describe a time you were part of a group working towards a common goal. What were your contributions and how did you grow with that experience?

What has been difficult for you when working in groups where including all voices, working together across differences, and equity are critical values? How have you addressed those challenges?

The Community Involvement Committee is committed to reducing barriers to participation for communities that have been typically underrepresented in the County decision-making. Describe your experiences with local historically marginalized and underrepresented communities.

In your opinion, what are the top three barriers to civic participation and community involvement in county decision-making?

Please state any potential conflicts of interest you may have related to any county department, if applicable. Eg. If you are an employee or a board member for an organization that receives county funding and/or has contracts with the County.

Please provide us with a summary of your work and volunteer experience. You may provide a written response or attach a resume. If you wish to submit a formatted resume, you may attach it to this application or email it to community.involvement@multco.us.
