**Department:** Community Justice **Program Contact:** Lisa Lewis

Program Offer Type: Innovative/New Program Program Offer Stage: As Requested

Related Programs:

Program Characteristics: One-Time-Only Request, Out of Target

# **Executive Summary**

Funding from the American Rescue Plan (ARP) will continue funding for transporting of released justice-involved individuals (JIIs) from the Department of Corrections (DOC) or Multnomah County Sheriff's Office (MCSO) when they are released from an institution impacted by COVID-19. Transport will be from Voluntary Isolation Motels to Transitional housing and private residence. Additionally, transport will be provided for clients to access vaccines and follow up medical appointments. This program offer was funded in FY 2022 and due to continued need, is being requested again for FY 2023.

### **Program Summary**

The transport of JIIs releasing from an institution impacted by COVID-19 to the Voluntary Isolation Motels (VIMo) has been a large obstacle over the past year. The Department of Corrections found some funding; however, this does not always apply to all releases and is scheduled to end soon. There is hopefully less of a need for this as COVID-19 numbers get lower within the institutions; however, we need to plan for the possibility additional outbreaks, which would require a specific transport process since these JIIs could not take public transportation. Additionally, transport from VIMo to Transitional housing, vaccine appointments and required medical appointments. Transportation will be provided by taxis and secure transport.
