Executive Summary

The Multnomah County Animal Services (MCAS) Field Services program is responsible for enforcement of a broad range of city, county and state laws, and provides 24-hour public safety emergency response to calls concerning animals attacking and injuring people and animals, as well as 24-hour emergency animal rescue for injured, sick and abused animals. Field Services also provides investigation services for animal bite, animal abuse and neglect, and other animal nuisance cases. Field Services equitably supports the community with education and assistance in helping resolve neighborhood animal issues, provides owners with tools and resources to ensure appropriate care for their pets and coordinates with other county departments to holistically support issues and concerns.

Program Summary

The Field Services program delivers animal control services to ensure public safety relating to animals. Services include responding to dog attacks, investigating animal bites, guarantining animals to meet public health requirements for rabies. picking up stray or deceased animals, and assisting law enforcement agencies as first responders for situations that impact pets and people in the community such as house fires, emergency hospitalization, incarceration, vehicle accidents, and evictions. Service is provided seven days a week, and emergency services are available 24 hours a day. This program serves all cities and unincorporated areas in Multnomah County.

Field Services responds to and investigates all cases of suspected animal abuse/neglect/abandonment, reports of dog fighting activities and ensures that humane standards of care are provided to all animals in licensed animal facilities (boarding facilities, breeding kennels, retail stores, etc.). Field Services responds to calls regarding animal nuisance complaints and provides community education, resources, and information related to responsible pet ownership and compliance with city, county, and state laws involving animals. This program handles public records requests and coordinates administrative hearings for animal-related ordinance violations.

Field Services officers are from diverse backgrounds, with multilingual capabilities. They consider equity and possible community bias in filed complaints, and respond with the goal of helping community members and disadvantaged pet owners retain and care for their animals. This includes direct support for residents experiencing low-income or homelessness, as well as marginalized communities that have historically been underserved. Services often include responding to pet crises within camps for people experiencing homelessness, facilitating both emergency and nonemergency veterinary care, providing education and resources for stray dog issues due to limited secure enclosures or leash compliance, and providing boarding due to unanticipated emergency crises. Officers carry pet food and other supplies to meet the immediate needs of community members.

Performance Measures									
Measure Type	Primary Measure	FY21 Actual	FY22 Budgeted	FY22 Estimate	FY23 Offer				
Output	Number of Calls Responded to by Officer	6,957	7,500	8,000	7,500				
Outcome	Percentage of animal complaints resolved through non- punitive, supportive enforcement	N/A	N/A	N/A	90%				

Performance Measures Descriptions

Number of calls responded to by officers reflects complaints received by dispatch that ACO-2 positions respond to over the course of a year. These calls include dog attacks, cruelty/neglect complaints, nuisance and stray animals, and bite investigations. Complaints resolved through supportive enforcement is a new performance measure; it tracks complaints where community members were provided education, resources, or other guidance that did not result in a notice of infraction or citation.

Legal / Contractual Obligation

Oregon Revised Statute (ORS) 609.010 to 609.190 pertains to state Animal Control mandates, which include: dogs running at large prohibited, dangerous dogs regulations, dogs as public nuisance prohibited, and impoundment of dogs harming livestock requirements. ORS 609.205 pertains to prohibitions against keeping wild or exotic animals. ORS 433.340 - 433.390 pertains to Rabies Control which includes: requirements to report animal bites, impoundment, quarantine and disposition requirements. Multnomah County Code 13.150-13.999 pertains to county Animal Control mandates.

Financing Sources	\$5,445	\$0	\$5,500	\$0				
Total Revenue	\$5,445	\$5,500	\$5,500	\$5,500				

Explanation of Revenues

In the General Fund, the revenue represents the cash transfer from the Animal Services Fund to the General Fund. It includes revenue from facility licensing fees, Dangerous and Potentially Dangerous Dog fees, appeal fees, public record fees, plus fines collected for notices of infractions related to enforcement of Multnomah County Code

Significant Program Changes

Last Year this program was: FY 2022: 90006 Animal Services Field Services

MCAS is partnering with the University of Wisconsin Shelter Medicine Program. One of the primary goals of the partnership is to evaluate the impacts of implementing diversity, equity, and inclusion interventions in Animal Control and enforcement. This includes a review of current policies and enforcement practices, followed by reform or creation of new policies and practices that support the human-animal bond in our community and ensure equitable access and engagement from Field Services. This work will focus on providing resources to the community and reserve punitive interventions for times when there is no other alternative.
