Preschool for All Overview and Eligibility

Preschool for All (PFA) will give 3 and 4 year olds in Multnomah County access to free, high-quality, culturally responsive preschool experiences.

The program will start with about 500 slots in September 2022 and will increase the number of children and families that it serves each year. The program will grow over time, until it is available to all families.

To be eligible, children must have a parent or legal guardian who lives in Multnomah County and be 3 or 4 years old by September 1, 2022 for the 2022 - 2023 school year. Families with the least access to high-quality preschool will be prioritized.
