

## Resources 2022

---

### ★ **WORKSHOP- Neurobehavioral Conditions Including FASD: Understanding & Application of the FASCETS Brain-Based Approach (ALL)**

- FA/NB are brain-based, neurobehavioral conditions with behavioral symptoms. The workshop will educate you on a best practices approach for increasing understanding of FA/NB, reducing frustration, and expanding options. Case examples of successful accommodations are central to this training.
- This is intended for professionals, parents, and other caregivers of children with confirmed or suspected FASD or other brain-based conditions. Our experience is that the training is enriched by having a mixed group of parents, caregivers, and professionals.
- 6 TUESDAYS ; May 3 – June 7, 2022 ; 11:30am- 1:30pm PST
- And...6 two-hour live online sessions - Cost : \$310
- [FASCETS workshops](https://www.fascets.org/workshops). Email: [info@fascets.org](mailto:info@fascets.org)
