## **Executive Summary**

In FY 2021, ICS received technical assistance from HRSA regarding financial and governance requirements related to FQHC, including clarification of how FQHC funds could be applied to services of the health center and staff roles which also supported non-health center services in Corrections Health (CH) and Public Health (PH) Programs. After review, HRSA clarified that funds from the FQHC cannot be spent on these out-of-scope programs or for staff who support out-of-scope activities. In response, MC removed County General Fund allocations from the ICS Budget and re-allocated them to CH and PH services to support out of scope activities. MC uses County General Fund to support these services and the Coalition of Community Health Centers is part of these services.

### **Program Summary**

The Coalition of Community Health Centers provides advocacy, coordination, and outreach on behalf of safety net clinics. The Coalition works to foster collaboration among its 17 members to improve access to healthcare for medically underserved populations. Multnomah County provides funding to support the Coalition's infrastructure and to support goals centered on advancing health equity.
