Program Summary

The division oversees three teams:

The Equity and Inclusion team champions equity and racial justice through culture change consultation and training, leadership coaching, and the implementation of WESP recommendations. The team tracks the Health Department's progress in meeting to meet the WESP performance measures. This includes staffing the Health Department's Equity Committee.

Learning & Development invests in employees at all levels of the organization by offering workshops, online learning, onboarding, mentoring support and leadership development to further a positive workplace culture. This program is also responsible for the Workday Learning platform functions, including the creation and maintenance of courses and offerings, Learning Partner administration, and departmental and division-specific online training coordination.

Communications and Marketing develops internal communications strategies to promote organizational cohesion. It also works to promote essential health services and disseminate timely health information to our diverse communities. Specific services include development of communication plans, graphic design, web content creation and maintenance, media campaigns and department-wide messaging to promote shared understanding and organizational cohesion.
