## **Executive Summary**

The Gresham Temporary Holding (GTH) operation, located at the Gresham Police Department, is designed to reduce transportation time and cost by allowing officers with arrestees to transfer custody to the Sheriff's Office in Gresham, rather than at the Sheriff's main booking facility in downtown Portland.

Operating this Temporary Holding facility provides communities in east county with reduced response time and more available patrol services.

## **Program Summary**

Booking is the process by which the suspected offender on the street becomes the arrestee in custody. Gresham Temporary Holding serves all Law Enforcement agencies in East Multhomah county, safely and efficiently admitting and readying arrestees for transfer to the Sheriff's booking facility at the Multhomah County Detention Center.

Arrestees are screened for appropriate charges and medical concerns, and if found suitable for temporary holding, are admitted into Sheriff's Office custody. The arrestee is searched, arrestee property is receipted, and the arrestee awaits transport to the Detention Center downtown.

GTH saves time for patrol, allowing them to maximize resources and service response for all east Multhomah County residents.

This program was closed during the COVID19 pandemic once medical screening for COVID19 became required at booking.

Performa	nce Measures Descriptions					

Due to COVID-19, MCSO decided on 04/08/2020 to temporarily discontinue GTH operations. This was primarily because MCSO implemented with Corrections Health a process to conduct a COVID medical screening of all arrestees at booking before they are accepted into MCSO custody for the booking process.
