## **Executive Summary**

This program accounts for facilities charges for the State Courts sites downtown and in East County and for the Tax Supervising & Conservation Commission. It also accounts for a portion of the debt service on the East County Courthouse, for pass-through payments to the Multnomah Law Library, and the State Watermaster.

## **Program Summary**

ORS 1.185 requires that counties provide court space for the operation of the state circuit courts. Multnomah County operates courts at the downtown Courthouse, the Multnomah County Justice Center, the Donald E. Long Juvenile Justice Center, and at the East County Courthouse. County-provided courtroom space is a key resource in the County's criminal justice system. Multnomah County courts' central and eastside locations allow easy access to the court system, provide visibility into the public safety system at work.

The County's 17 story courthouse located at the west end of the Hawthorne Bridge which opened in 2020, houses 44 courtrooms and staff from the District Attorney's Office. The courthouse was built to acquire a Leadership in Energy and Environmental Design. LEED-Gold certification using less water and energy and reduce greenhouse gas emissions.

The County's Facilities Division is responsible for operating and maintaining County courtrooms. The Facilities Division provides services ranging from planning, construction, and building operations and maintenance to cleaning the buildings and maintaining the grounds for courtrooms located in Multnomah County's owned and leased facilities.

This program also includes:

- A \$5,000 pass thru payment for the State Watermaster.
- Funding for the Law Library. The 2011 Legislature passed several bills that changed the way court fees are allocated among local programs. One local program, the Multnomah Law Library, is a recipient of an allocation of fees through Multnomah County to the Law Library. The allocation will be monitored to see if changes are made for the upcoming State biennium.

Outcome	Customer Satisfaction surveys with a result of "very satisfied" out of 100%	73%	95%	85%	90%			

#### **Performance Measures Descriptions**

These measures are the same as those used for the County's other building operations, see Program Offer 78202A. PM#1 - Refined metric: Change in output based on work order costs vs number of tasks. The percentage of proactive maintenance work orders demonstrates the level of effort on proactive monitoring and maintenance of building systems. Focus on preventive maintenance maximizes life cycle and reduces cost of breakdown repair.

PM #2 - Customer satisfaction survevs: Percentage of submitted customer reviews marked "verv satisfied" out of 100%.
