Program Summary

The Multnomah County Justice Reinvestment Program (MCJRP) is a collaborative effort to improve the assessment of adults in custody in Multnomah County and provide a continuum of community-based services and sanctions. This combination of early assessment and intervention is provided to reduce recidivism while protecting public safety. Success is only possible through the cooperation and partnerships of the participating MCJRP members.

Probation and Parole Officers from the Department of Community Justice are responsible for conducting pre-trial assessments of MCJRP eligible defendants. These assessments are provided to the Prosecution, the Defense, and the Court to promote sanctioning that is fully informed by all available risk assessment tools. To ensure that assessments take place within the short pre-trial time frame, probation and parole officers and attorneys must have easy access to individuals who are in-custody. This program offer ensure that dedicated Escort Deputies are available to assist with these processes.

This program provides funding for 1.30 FTE Escort Deputies at the Inverness Jail to assist with the MCJRP processes.
