Our Time Together Today

- Reorient ASAC and DSAC members to the 2021- 2025 Area Plan
- Updates - Issue, key actions and budget
- Review revised assurances
- Collect and answer questions

Area Plan

- Area Agency on Aging requirement per Older Americans Act
- Focus areas and format determined by the State of Oregon - Community Services and Supports Unit
- Describes local region, needs and services
- The plan will be in action July 2021 - June 30, 2025.

Area Plan

- Strategic plan to enhance and improve services for older adults, their families and the community.
- Updated annually
- The Update is shared with ASAC and DSAC in their role as the Steering Committee for the Area Plan.
- ASAC and DSAC – by consensus – accept or reject the the update and revised assurances

Culturally Responsive*

Services that are respectful of, and relevant to, the beliefs, practices, culture and linguistic needs of diverse populations and communities, whose members identify as having particular cultural or linguistic affiliations because of their place of birth, ancestry or ethnic origin, preferred language or language spoken at home.

Culturally Specific

These services and programs are designed and continually shaped by community input to exist without the barriers present in dominant culture services or organizations.

Culturally specific services are informed by a specific community's language, cultural constructs, institutions, experiences with racism and intergenerational trauma and social mores to create an environment of belonging and safety, in which individuals can thrive.

Contracted Services – Enhancing Equity

Enhancing Equity contractors focus on the needs of a particular cultural, racial and/or ethnic group in the entire County and provide services chosen from a menu of possibilities, based on community need and organizational capacity.

Contracted Services – District Centers

District Center contractors serve as the community hub for senior services in a specific geographic area and provide a required mix of services.

Information and Referral/Assistance

Program Objective

Provides information to Older Adults, Elders, and their families about services and resources available in the community and benefits for which they may be eligible. I&R staff make referrals to organizations capable of meeting those needs.

What does that mean?

Community members can get information, assistance and referrals in person at centers, by phone, email or text in their own language.

Update: I & R/A

Highlight

Beginning in January, ADRC was able to screen older adults and people with disabilities for cash resources using ARPA (American Rescue Plan Act) funds.

Challenge

Ongoing COVID Pandemic - District Centers and EE programs necessarily delayed opening in person. More community members expressing experiencing isolation and loneliness.

Nutrition Services

Program Objective

Provide culturally appropriate meals and nutrition education to Older Adults in congregate settings and to those who are homebound.

What does the program do?

Provides meals at District Centers, Enhancing Equity Programs, home delivered meals and food boxes.

Update: Nutrition Services

Highlight

El Programa Hispano got creative with their approach and collaborated with a local culturally specific grocery store so clients could shop for specific groceries to supplement their home delivered meals. The grocery store kept a “tab” and invoiced EP

Update: Nutrition Services

Challenge

Asian Health and Service Center (AHSC) clients have not felt safe receiving home delivered meals. AHSC provided meal box kits for them to prepare at home. The transition back to congregate program will be challenging as clients in this community express reservations about meeting in public or receiving prepared meals.

Update: Older Native Americans and Elders

Highlights

NAYA was able to increase their nutrition program and serve many more Elders with healthy and nutritious meals and even extended this to their whole household at the beginning of the pandemic when elders needed to isolate themselves in their homes.

NARA was able to configure their staffing in a way to provide OAA CM services and hope to increase their case management services and capacity in the future which increased the reach of our services to Native elders.

Update: Older Native Americans and Elders

Challenges

NARA: With the pandemic, not able to do the weekly gatherings of the Pi Nee Waus elders outreach group and elders have felt more socially isolated.
