Deadline A county elections official may only begin the hand count after certification of the official results to the Secretary of State, but not later than the 27th day after the election. All hand counts must be completed no later than the 35th day after the election.

- → Complete a separate form for any precinct or batch where exceptions or differences between the original result and the hand count result were identified. Provide an explanation of any difference between the hand count and the tally of votes produced by the vote tally system, as determined by the counting board.
- → If no exceptions or differences are identified by the counting board, the results for all precincts and batches may be summarized on a single form.
- → Only one certification is required to be signed and returned with results.
