2022-2024 Continuum of Care Board

## **Community Agreements**

These community agreements were created by and with consensus from the Continuum of Care Board on 10/20/2022. These agreements represent the collective vision for how the board wants to be in relationship with one another and what every person in the group commits to, to feel safe(r), supported, open and trusting in order to take transformational action. These community agreements will be enforced by the group itself.

- 4. Be mindful of privilege, historical structures of oppression, and the shared goal to lead with a lens of equity, inclusion, diversity, and anti-racism.
- 5. Expect and accept non-closure.
- Honor the diversity in the room and stay open to different perspectives. There may be several different roads that lead to a great outcome.
- 7. Language matters. Use intentional, direct, non-violent language. Speak your truth responsibly.
- 8. Make space, take space. Make space for those who are not speaking up as often, take space if you usually don't speak up.
