

# Early Childhood Education (ECE) Information Session

**Interested in learning more about the Early Childhood Education career & technical education program at PCC?**

The virtual information session will review specifics around the ECE programming, including opportunities to learn about the program framework, degree pathways, transfer opportunities, paid internships, financial aid, and student support services.

To register, please complete the form from the QR code and a meeting link will be sent to you.

**Any additional questions, requests for information or individual meeting requests can be emailed to [shea.selby@pcc.edu](mailto:shea.selby@pcc.edu). We look forward to hearing from you!**
