Who we are, What we do

Our Vision

Healthy people in healthy communities.

Our Mission

In partnership with the communities we serve, the Health Department assures, promotes and protects the health of the people of Multnomah County.

Who we serve, Our Partners

We assure, promote, and protect the health of the whole community, prioritizing the most vulnerable.

We do this in partnership with our formal and informal partners including-

- Community Health Council
- Coalition of Community Health Clinics
- HIV Services Planning Council
- Food Service Advisory Committee
- Vector and Code Enforcement Advisory Committee

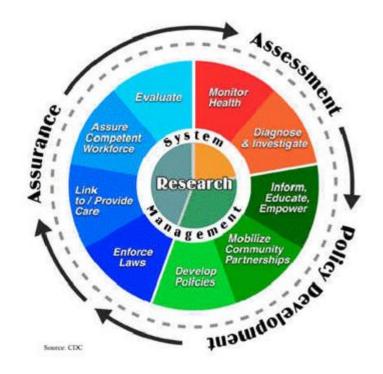

Performance

Measuring and improving performance is a core Public Health function.

- 1. Assessment-monitor, diagnosis and investigate
- 2. Policy Development-inform, mobilize and respond
- 3. Assurance-evaluate and report results, research for new insights and innovations

Our Values are expressed in our 5-year Strategic Plan

- 1.To assure all individuals, families and communities gain greater control of the factors that influence their health.
- 2.To improve the health of our diverse communities.
- 3.Be an adaptive, learning organization that serves as an effective and accountable local public health authority and provider of community health services.

Budgeting Principles

- We prioritized the County's most vulnerable members
- Preserved direct services and in many cases increased our capacity to serve more clients
- Invested in upstream prevention strategies
- Maintained our capacity to obtain grants and new funding strategies

Program Offer Overview

Three program offers used CGF "backfill" within constraint

- 40013B Early Childhood-CGF supports core intake services in Healthy Start program, keeping program at FY11 funding level.
- 40016 Medicaid Eligibility-CGF used to maintain FY11 capacity despite decline in State reimbursement rate.
- 40025 Adolescent Health-CGF funds new program model, including tailored sexual health services

Program Offer Overview

√40029 Rockwood Health Clinic only place with OTO CGF

- Includes \$155k, half the amount needed in its first year. On target with three year business plan with no OTO next year.
- The clinic opened in September 2010 and will serve approximately 4,400 new clients in its first year. Demand is high for all services, with the demand for Dental care exceeding preliminary estimates.

Significant Federal State & Other Funding Changes

Most reductions are in Community Health Services including

• CPPW #40047	grant ends in	FY12
---------------	---------------	------

<\$916,000>

• Travelers Clinic #40010 closed in FY11

<\$382,000>

 Early Childhood #40013A&B grants and Medicaid funding changes

<\$863,551>

• Adolescent Health #40025 federal grant funding ended in FY11 and FY12

<\$582,000>

 Contracts for providing health research and evaluation services #40035

<\$404,000>

Significant Federal State & Other Funding Changes

Health Centers have increased the amount of fee revenue and increased access to health services

- Dental Services #40017 has increased across all clinics but specifically at the Northeast site and the new Rockwood clinic. \$610k
- Pharmacy #40031 too has experienced consistent growth in Rx demand and patient volume.

\$573k

Other Key Operating Changes

- School Based Health Centers #40024 includes moving Marshall SBHC site to Franklin HS in the Executive Budget.
- Medical Examiner # 40052 moved from District Attorney's Office to Health Department
- ARRA- Health Department has received \$11 million in federal stimulus over the last three years. In many programs the ARRA funding paid for one-time-only investments or built capacity that is now self sufficient.

Other Key Operating Changes

Communities Putting Prevention to Work- has funded 25 partners including seven school districts, 5 local governments agencies, 12 community or faith based organizations and one research firm for evaluation services.

We are working with our national partners and watching for new/future Federal prevention funding opportunities, while strategizing locally to sustain key elements of this practice.

State Funding and Other Issues, Risks, Challenges

- State Public Health funding cuts still uncertain
- Health reform locally
- Health reform nationally
- Education/early childhood changes
- Workforce
