## Budget for FY 2010

The Sheriff's Office total budget for FY 2010 is approximately \$112 million. General Funds are \$96.5 million, or 86% of its total budget. A year over year comparison shows the General Fund decreased by \$2.3 million, or 2.3%. Most of this decrease is attributable to personnel reductions of 37 General Fund FTE and a wage freeze for some employees. The Federal/State Fund is primarily composed of State Department of Corrections funds, at \$9.2 million. The FY 2009 current year estimate is higher than the adopted budget primarily due to labor contract settlements and the mid year start up of Close Street, a minimum security custody program which provides services to pretrial and sentenced offenders.

## Jail Bed Capacity

The Sheriff has the budgeted capacity to support 1,367 beds. 126 beds were closed in March 2009, so the FY 2010 capacity is 46 fewer beds than the current capacity. The County expects to receive about \$3.4 million more from the US Marshals Service (USM) for their use of an additional 75 beds. They will use 200 of the available beds in FY 2010.

### FY 2010 Summary by Program Offer (cont.)

Administrative & Support Programs provide supervision or support to some or all of the operating programs above. Their costs are "spread" to the operating programs and are factored into the costs above. Note that FTE were not "spread". To get the total FTE add both operating and administration and support FTE totals for a Department total.
