

Multi-Agency Public Safety Coordination

Discussion topics - LPSCC meeting

1) Mental health and public safety issues:

- Refinements/changes to BOEC/911 call triaging and dispatching of mental health calls, requires the County and BOEC changing current protocols, in concert with AMR and emergency responder agencies
- Solutions for mitigating the mental health, chronic call workload for BOEC, Fire, and Police

2) River and land patrol

3) Jail ID Technicians

4) Service Coordination Team

5) CHIERS/HOOPER Sobering Stations

6) Developing data resources and capacity for sharing them across public safety agencies

7) Training alignment opportunities

- 1) Develop regional training opportunities to avoid duplication of efforts
- 2) Police training center as a training asset for regional agencies

8) Opportunities for joint purchasing of equipment, supplies, services, and technologies to achieve competitive pricing

9) Standardizing the equipment and technologies used by emergency responders
