15% of students increased benchmark scores in Math*

Average daily attendance of SUN CS students was **89%**

***due to changes in state testing these numbers are
not available for this year**

SUN Spotlight

We held a Lunch & Learn event during February 2016 in honor of Black History Month. Students had lunch with African-American professionals who worked in various career fields. They were able to ask questions about their educational paths, the challenges they face pursuing their goals and how they overcame them. Bucket drummers and spoken word were a couple of ways guest were entertained and inspired.
