Executive Summary

The Multnomah County District Attorney's Support Enforcement Division (SED) establishes, modifies and enforces paternity, child support and medical support orders for the families of Multnomah County as part of The Oregon Child Support Program (OCSP) by working with both parents to provide the financial and emotional support their children need to grow and thrive. OCSP delegates the authority of non-public assistance cases to county district attorney's offices.

Program Summary

The Child Support Enforcement (CSE) Program, opperated by the Support Enforcement Division (SED), was enacted in 1975 as a federal-state-local partnership. The federal government reimburses each state 66% of all allowable expenditures on CSE activities, including staffing costs. The federal government's funding is "open-ended" in that it pays its percentage of expenditures by matching the amounts spent by state and local governments with no upper limit or ceiling.

Operating in two locations (Downtown and East County), the SED routinely carries an average caseload of approximately 7000 cases and collects approximately \$31 million annually. Every dollar collected (less a \$25 annual fee) is sent directly to custodial parents for the benefit of the children in our community, providing a critical safety net for families.

SED, using automated, administrative, and judicial means to enforce court orders, currently collects on about 81% of our caseload every month, resulting in payments benefiting over 10,000 children in our community. SED also works with the courts to offer those that are unable to meet their obligations with tools to do so such as assistance with job placement, addiction evaluations, and mental health services referrals.

In addition to enforcing child support and medical support orders SED also assists families by establishing paternity. establishing support and medical orders, modifying support orders to ensure a fair support amount, and establishing arrears on past support owed.

SED works with all 50 states, local tribes, and US territories, to cooperatively provide child support services. In addition, OCSP and CSE have reciprocity agreements with over 30 foreign nations.
