

Volunteers needed to survey homeless Veterans

Portland/Multnomah County has set an audacious goal to house every homeless Veteran by the end of 2015. To further that goal we are seeking volunteers to conduct surveys to help us identify every homeless Veteran.

We will be sending volunteer teams to sites around the County to gather information from Veterans experiencing homelessness so that we get them housed.

Our first Registry Week is May 25-May 31!

If you are interested in volunteering to be part of a team going out to sites and interviewing Veterans, please come to one of our information and training sessions.
