Program Summary

The Domestic Violence program screens and prosecutes domestic violence cases including misdemeanors, felonies, and restraining order violations. The crimes may include any level of assault, sexual assault, kidnapping, harassment, and homicide. In conjunction with the Victims Assistance program, it provides outreach and access to support services to all victims of domestic violence. Working in collaboration with state and local law enforcement, Community Justice and a variety of local nonprofit domestic violence organizations and shelters, the program includes a six month deferred prosecution program with individualized treatment plans closely monitored by probation officers. Support includes specialized services; personal contact by a victim advocate, information resources and referrals for social services, coordination with social service agencies, accompaniment to court proceeding, and notification of rights and remedies and assistance in exercising those rights. This program provides a specialized emphasis on prosecution of elder abuse cases in Multnomah County. The Unit supervises the Mental Health Deputy District Attorney, and the Human Trafficking and Prostitution Deputy District Attorneys. In addition to prosecution and victim services, this unit provides training to law enforcement and other community partners. Additionally, this unit works to promote victim safety and offender accountability with community advocacy groups and the Court.

The Senior Deputy of this unit is a member of the executive committee for the Family Violence Coordinating Council. The Senior Deputy of this unit is the Co-Chair of the Portland Chapter of Justice Jammers, a work group that meets to identify gaps in the justice system affecting domestic violence victims' safety and offender accountability. This group meets regularly and on a guarterly basis and shares information with our neighboring counties, Washington, Columbia, Clark, and Clackamas to develop strategies that address the gaps and make improvements to the system.
