Executive Summary

This project is to construct a new headquarters (HDHQ) and clinic facility for the Multhomah County Health Department (MCHD) in the Old Town/Chinatown Neighborhood of Portland. The facility will be approximately 96,000 square feet and located on the easterly half of the block U immediately adjacent to the recently completed Bud Clark Commons building. The project team is focused on delivering a well-functioning, flexible building for County operations, welcoming to clients, an attractive and durable asset, and complementary to the neighborhood. The budget for this project is \$46 Million.

Program Summary

The proposed building is a headquarters for the Multnomah County Health Department. It is an approximately 96,000 gross square foot, six story structure located on a half block in Portland's Central City. The building will have a public entry sequence fronting on NW 6th Avenue. Major elements at the ground floor are an Emergency Preparedness and Response center; a wellness space; a pharmacy; a vaccine depot; a loading dock and related service functions; a security desk; an ATM machine and a coffee cart. The upper five floors house a variety of Health Department functions: Office of the Deputy Director; Business, Financial & Quality Services; Community Health Services; Health Officer; Human Resources & Workforce Development; Integrated Clinical Services; Office of Policy & Planning; and Public Health & Community Initiatives. Clinics are located on lower floors to facilitate public access; workplace is located on upper floors. Vertical circulation, restrooms for public use and staff use, break rooms, mechanical rooms, and other ancillary program spaces are distributed throughout the building.
