Executive Summary

Distribution Services provides county agencies pickup and delivery of mail and supplies, processing and metering of U.S. Mail, U.S. Mail training and consultation, and management of mail services contracts.

Program Summary

Distribution Services effectively manages County resources and minimizes service delivery costs by:

- 1. Central coordination of a complex and multifaceted system of distribution logistics across more than 95 County locations. Distribution Services moves a wide variety of items every day, via fixed routes and/or on-demand, including: U.S. Mail, Health Department patient care items, County records, interoffice mail, recyclables, and operational equipment and supplies. In addition, Distribution Services seamlessly coordinates with other governments throughout the Portland metropolitan region and the Willamette Valley to send and deliver interoffice mail in a manner that saves on postage and enhances intergovernmental communication and workflow.
- 2. Management of a multi-jurisdictional contract for presort services. This maximizes available postage discounts for all partners by pooling the mail to be presorted prior to delivery to the US Post Office. These savings are further enhanced by centralized metering of U.S. Mail, ensuring accuracy, timeliness of delivery, lower cost single-point pickup for mail services partners, and the reduction of county-wide meter maintenance costs. Distribution Services also maintains county-wide mail services contracts (for example, in folding/insertion, addressing and metering) that lower departmental costs for tax mailings, license renewals, and other projects.
- 3. Partnering with the USPS to ensure accurate and up to date information on mailing standards in an increasingly complex and changing environment. Distribution Services shares that expertise by providing clear instruction and training to County employees on existing and proposed USPS standards, ensuring efficient mailings that maximize available savings.
- 4. Serving a vital role in emergency preparedness for Multnomah County. Distribution Services is a component of the Receipt, Stage and Storage Center.

These efforts contribute to the Climate Action Plan activities related to local government operations, item number 18-8.
