These are mid-level offenders within the public safety system.

Program Summary

This program housing 8.5 DDAs works in co-operation with local law enforcement agencies and other public safety partners to provide aggressive prosecution of persons arrested and charged with serious property and theft crimes. The work of this unit includes reviewing and prosecuting cases, such as auto theft, forgery, commercial burglaries, criminal mischief (damage to property) and fraud and theft crimes against the elderly. Last year the program reviewed 1950 cases.

This program also reviews and prosecutes crimes involving theft of identity which continues to be significant. The program reviews and prosecutes offenders who commit crimes against the businesses in the community. These crimes, which are commonly referred to as white collar crimes, and include forgery, aggravated theft and theft by deception.

The program, through its inter-agency cooperation, collaboration, and prosecution efforts, is a key part of holding offenders accountable for committing serious property crimes. In the continuum of prosecution services, this unit prosecutes medium level offenders and is a key to making sure that offenders are held accountable for their criminal behavior.

This unit is also responsible for staffing and participating in the Success Through Accountability, Restitution, and Treatment (START) court program which is a post-sentencing drug court providing supervision and drug treatment for property offenders.
