

Construction Planning

Multnomah County Central Courthouse

VIEW LOOKING NORTHEAST

Construction Planning

- 'Minimum Impact Plan' addressing noise, dust, fumes
- Bike and pedestrian lanes to remain open
- Overhead pedestrian protection on open sidewalks
- Rigid barriers and clear signage
- Prescribed delivery route
- Environmental controls addressing runoff, emissions
- 'Just in Time' deliveries
- Tower crane: No hoisting over public right of ways
- The project website will feature a construction webcam so the public can view construction activity in real time
- Most construction will occur during daytime hours on weekdays
