

WellDyneRx Mobile App

Manage your prescriptions anywhere, anytime

WellDyneRx provides members with a safe, secure and easy-to-use mobile application so you can find account and prescription-related information any time, day or night. With a robust set of tools, the WellDyneRx mobile app makes it easy to manage your prescription benefit on the go.

- Quickly and easily refill and renew Prescription Delivery Service medications for you and your family members
- Find any of the more than 60,000 pharmacies in the WellDyneRx pharmacy network
- Easily manage your billing and shipping information
- Update your profile
- Record conversations with your doctor
- View a list of your current medications, including dose, frequency and usage instructions
- Display your virtual ID card at the pharmacy
- Easily track medication and refill schedules directly through your smartphone's built-in calendar
