Request for Consolidation

Before submitting this request, please consider the following:

- **Taxes Paid:** Oregon Revised Statute 308.210(4) does not allow consolidation of parcels with any taxes owing.
- **Ownership:** Parcels to be consolidated must be contiguous and have identical ownership.
- **Check Local Planning Laws:** After consolidating parcels, some planning departments require a formal process before allowing the parcels to be sold separately. Please consult your planning office to understand any implications of this consolidation.
- **Mortgages:** If one or more of the parcels have a mortgage, you should contact your mortgage company for approval prior to submitting the request.
- **All Owners** are required to sign this request.
- **Maps and Code Areas** will be considered by DART, as parcels may not be able to be consolidated across map or code area boundaries.
