Program Summary

For the majority of people experiencing homelessness, returning to permanent housing requires a combination of a limited duration, highly flexible rental assistance, housing placement and retention support, and access to income acquisition assistance. This "rapid rehousing" strategy is a recognized national best practice and critical element of our community's ending homelessness work.

This program offer continues our community's investment in rapid rehousing programs that leverage significant federal, state and local resources to support the efforts of people experiencing homelessness to secure and retain permanent housing. These programs create housing stability for thousands of families and individuals per year, including children and their parents.

Rapid Rehousing programs funded through this program offer include programs targeted to communities of color through several different culturally specific providers, domestic violence survivors, youth, veterans, families, the elderly, and single adults. Some of these programs are accessed through shelters and day centers, while others are accessed through coordinated entry systems, or outreach programs.
