### **Executive Summary**

The Family Services Unit (FSU) supervises over 400 offenders annually, many (70%) have children under the age of ten. A number of these offenders supervised by FSU are pregnant women and/or have children involved in the juvenile system. By collaborating with community partners, including the Juvenile Services Division (JSD). FSU protects children and works to break the cycle of cross-generational antisocial behavior and crime.

## **Program Summary**

FSU is a unique program which approaches supervision through a multi-disciplinary team effort. FSU works closely with staff from Child Welfare, Self Sufficiency, Health Services, the Juvenile Services Division and mental health agencies. FSU emphasizes collaboration with other agencies for case planning, resource allocation and efficient service delivery. Integrating supervision, child welfare, the Family Court, benefits assistance, social and health services as well as addiction treatment allows FSU to efficiently address dynamics that place an entire family at risk.

The Family Support project (a community-based component of FSU) reduces recidivism of women through accountability, education and training, prioritization of self sufficiency and child welfare, and through facilitating access to necessary treatment or counseling. FSU supports the County's innovative 'one family/one judge' model, wherein one judge oversees all cases associated with a particular family. In addition, FSU's approach strengthens the family's resistance to future involvement in the criminal justice system. The program successfully defrays long-term child welfare and criminal justice costs associated with inter-generational criminal activity.

House Bill 3503 established the Family Sentencing Alternative Pilot (FSAP) Program. This program is also included in the Family Services Unit. The program diverts qualified offenders who have primary custody of a minor child at the time of the offense from prison to probation. The intent of this program is to promote reunification of families, prevent children from entering the foster care system, and hold offenders accountable.
