Program Characteristics:

Executive Summary

The General Ledger (GL) program manages central financial accounting and reporting, including the annual external financial audit, audit of the County's expenditures of federal awards, the indirect cost allocation plan, contract fiscal compliance over grants, as well as general accounting support and assistance countywide.

Program Summary

The General Ledger (GL) program supports and monitors the County's financial accounting activity by performing corporate level accounting functions including account reconciliations, review/approval of accounting transactions and preparing required financial reports.

The primary product is the County's Comprehensive Annual Financial Report (CAFR), which includes all activities associated with the required annual external financial audits. The CAFR earns the Government Finance Officers Association (GFOA) award annually for excellence in financial reporting. This award indicates management has prepared financials that meet the reporting standards and requirements noted by GFOA. Approximately 3% of government entities in the United States receive this award annually. GL also prepares the County's cost allocation plan needed to recover central and departmental overhead and administrative indirect costs from external revenue sources. Maintaining internal controls and the chart of accounts are also performed by General Ledger.

The program's Fiscal Compliance (FC) unit performs pre-award risk assessments, site reviews and financial statement analyses on County human service contracts in order to maintain compliance with Federal, State and County laws and regulations and to provide fiscal oversight of contracted programs.

Performance Measures									
Measure Type	Primary Measure	FY15 Actual	FY16 Purchased	FY16 Estimate	FY17 Offer				
Output	Number of properly stated balance sheet accounts per review of external auditors	300	300	300	300				
Outcome	Percent of total County pass-through dollars actively monitored by Fiscal Compliance	54.0%	68.0%	60%	68%				

Performance Measures Descriptions

In the County's external financial audit, the auditors will analyze and audit our balance sheet accounts. Fewer balance sheet accounts identified with misstatements will indicate a high degree of accuracy in the financial statements (300 Total Accounts). The Fiscal Compliance unit performs financial monitoring of County funded human service (HS) providers. Monitoring includes Federal, State, County and other funds recorded in the pass-through/program support GL account. A higher % monitored indicates greater coverage and decreased County financial risk as it relates to HS providers.

Legal / Contractual Obligation

Oregon Revised Statutes (ORS), Ch. 297~Audits of Public Funds and Financial Records requires governments to have an external audit and that it be submitted to the Secretary of State - Audits Division. The Office of Management and Budget (OMB) Federal Register requires entities expending Federal funds over \$750,000 in a fiscal year to have a single audit of Federal awards. Also, according to the Federal Register, Federal funds that are passed on to other organizations (such as non-profits) must perform subrecipient monitoring on those contracts funded with pass-through dollars. The Federal Register requires organizations to publish an approved indirect cost allocation plan for any indirect or administrative costs allocated to Federal awards.
