## **Executive Summary**

The Department of Community Justice (DCJ) and the Facilities and Property Management Division (FPM) have identified the need to acquire an asset in a mid-county location that will consolidate four separate sites into a single County owned facility. This aligns with the County's Facilities Asset Strategic Plan to increase operational efficiencies, align departmental points of service with their client base and eliminate the lease risks associated with the existing leased facilities.

## **Program Summary**

This program envisions the co-location of DCJ District Managers, seven Parole and Probation units, space for Teaming Partners, a client Resource Center, a Training Facility for Parole Officers, a Community Services support facility and convenient staff amenities including break areas, respite room, fitness room and showers. As part of the Facilities Strategic Asset Plan, the majority of these functions will be relocated from facilities with expiring leases or properties that the County is planning to reposition. Some functions will be relocated from the Mead Building to better serve the central Mid-County area.

Goals for this new mid-county facility include:

- Creating a campus environment that serves clients in a centrally located and easily accessible area
- Providing a community resource center
- · Providing a safe and secure facility for staff, clients and neighbors
- · Achieving cost efficiency by co-locating services
- · Increasing efficiency of work areas in terms of hoteling and space utilization
- Supporting public transit and providing convenient transit connections for staff and clients
