Save money on dental visits

Your dental plan lets you see any licensed dentist you want. But when you see a provider in our Delta Dental networks, you'll save money; and visiting a Delta Dental PPO dentist will give you an even better deal.

Choose Delta Dental providers to keep costs low

Your dental plan gives you access to Delta Dental, the largest network of dentists in the nation. You'll find Delta Dental providers close to home and across the country.

Through Delta Dental PPO and Premier networks, we set limits on what dentists can charge for certain services. It's our way of connecting you with great care at even better rates.

You'll save the most when you visit Delta Dental PPO providers. They agree to accept our lowest contracted rates as full payment.

Both Delta Dental networks protect you from 'balance billing' — the practice of billing you for the difference between your dentist's fees and the rates your dental plan will pay.

What you pay by network

Here's how your network choice can affect your bill:

Delta Dental PPO dentists

- > Lowest costs and the most savings
- > No balance billing

Delta Dental Premier dentists

- > Slightly higher costs with some savings
- > No balance billing

Non-Delta Dental dentists

- > Higher costs, since dentists don't set fee agreements
- > Balance billing

Your dentist's network determines your cost
