

# Contractor-Connect Open House

March 29, 2018  
3pm - 7pm

***This is your opportunity to meet one-on-one with Prime Contractors and learn about upcoming Port construction opportunities.***

The Port of Portland is hosting a contractors Open House event featuring our top 10 prime contractors and Port project management staff. Learn more about future construction at PDX and how to get engaged early. You will also meet Port project management staff and managers from various business lines within the Port.

## Event Highlights

**LEARN ABOUT PDXNEXT:** This event will feature the CMGC firms awarded work for the PDX airport renovation. Small business contractors will have an opportunity to meet directly with reps from these large construction firms and learn about upcoming bid packages and how best to get engaged early.

**PROJECT HIGHLIGHTS:** Hear updates on future construction at PDX and meet the project managers who will oversee the project.

**PORT 101:** Pop by the Port 101 booth to learn about our new online compliance system B2G and our online Certified Payroll Reporting system LCPtracker. You can also ask questions about the post award process, monthly subcontractor reporting requirements and payment process.

**NETWORKING RECEPTION:** Following the speed networking event, the Port will host a **networking reception 5-7** where attendees can enjoy refreshments while furthering conversation with prime contractors as well as meet Port team members from various business lines including project managers, procurement staff, construction managers and executive team members.

Reception featuring food catered by Tamale Boy Catering (DBE)

**WHO SHOULD ATTEND?:** Construction firms who are certified as Disadvantaged, Minority, Women, Service-Disabled Veteran-Owned or Emerging Small Business by the Oregon Certification Office for Business Inclusion and Diversity or by the Washington State Office of Minority & Women's Business Enterprise.
