Twice received voters support to protect land along our streams and uplands for clean water and animal habitat

Led the east Multnomah County jurisdictions to unanimously agree on a set of transportation investments to advance our economy and community development. Many projects now in development.

Dear Voters,

Seven years ago, we set out on a journey as a community to invest in each other, our communities, our parks, and our future. I have worked hard to ensure that resources are brought to the east part of the Portland metro region to build the kind of community we all want for our families and neighbors. I led the East Metro Connections Plan, co-led the Division Transit project, and have influenced the award of financial grants for transportation improvements, parks, and land use planning to east Multnomah County. Metro's Transit Oriented Development funds have stimulated construction of needed affordable housing for families and adding character to neighborhoods. I am thankful for the trust you placed in me. In my next term, with your support, I want to:

- Remove barriers that interfere with the development of employment lands
- Continue to protect, restore and maintain our natural areas and parks
- Ensure that no matter where you go you have safe, reliable and affordable transportation options
- Create pathways for access to affordable housing close to jobs and services
