Dear Neighbor,

I'm running for Metro Councilor because I want to help our community. In the decade I've lived in the district, I've made a career out of getting government working for us. At the state, county, and city level, I've focused on helping working families, being smart about our land use decisions, and keeping our infrastructure working.

I'm not a politician, but I know how government works. Metro has some big needs ahead in the next few years. As someone who helped design and pass Portland's successful 2016 housing bond from the ground up, I have the expertise to ensure we **protect taxpayers, ensure proper use of funds, and involve you from the beginning** so we've got community support from Day 1!

Metro's issues are what I care about. Fixing our traffic problems, ensuring our communities are smartly planned with input from YOU, and making sure we all have a safe place to call home. I'll be here to get the job done and you can count on that.

Your neighbor,  
**Christine Lewis**
