Does City Hall Represent Your Best Interests?

Portland is booming – for some. There's an endless crop of new luxury high rises. Yet, many are struggling to find and keep an affordable home, and City Hall hasn't taken the bold action we need to adequately address the housing crisis.

City Hall threatens to close community centers that provide affordable childcare whenever there's a budget shortfall. East Portlanders lack basic transportation infrastructure, like sidewalks. And we still don't have sufficient laws to protect the air we breathe.

WITH NEW LEADERSHIP, WE CAN CHANGE CITY HALL

My career has been about bringing diverse coalitions together to create progressive change. I led the fight to prevent Nestlé from bottling our public water – and we won. I have the track record and the bold, community-focused vision Portland needs:

- Think outside the for-profit developer box to create **permanently affordable housing**
- A more **equitable distribution of transportation** dollars
- Invest more, not less, in community centers so **more working parents can rely on affordable childcare**
- **Municipal broadband internet** that has proven elsewhere to be affordable – and maintains Net Neutrality
- **No corporate campaign cash**

We Must End Portland's Jim Crow-era, At-Large Election System By Creating Districts

All but one City Commissioner lives in Southwest Portland – and none live east of Cesar E. Chavez Blvd. This isn't representation. I live east of 82nd Ave. and I see City Hall's neglect of my community.
