Program Summary

The program represents a first for Oregon and one of only a limited number of such programs in the nation. When responding to a claim of actual innocence or wrongful conviction, case review requires thorough, committed and unrelenting effort. These challenges have involved cases some of which date from the 1980's and 1990's. This post-conviction review is complicated by the passage of time including obtaining old archival records, retention and storage of evidence, as well identifying and contacting original law enforcement investigators, victims, witnesses. This case review also requires analysis of past litigation, including trial transcripts, appeal briefs and state or federal post-conviction challenges. Finally, these cases are challenging to determine the availability and significance of potential new forensic testing including DNA. as well, the significance of past and present laws.

In addition, the program deputy is responsible for additional post-conviction case support including liaison to the Governor when the office responds to petitions for Executive Clemency, liaison with the Oregon Board of Parole for purposes of Murder review, Exit interview and Dangerous Offender release hearings, , liaison to the Oregon Department of Justice in its response to Oregon statute based petitions for Post-Conviction Relief and federal petitions for Habeas Corpus relief, hearings before the Psychiatric Security Review Board (PSRB) matter to determine whether a person found Guilty but Insane should continue to be subject to PSRB supervision or discharge.
