

Allow *at least* 15 minutes after reaching downtown Portland to park and get to White Stag.

There is no longer a “fare less” zone in Portland, so you will need to purchase MAX tickets, which can be purchased with cash, card or on your smart phone (www.trimet.org).

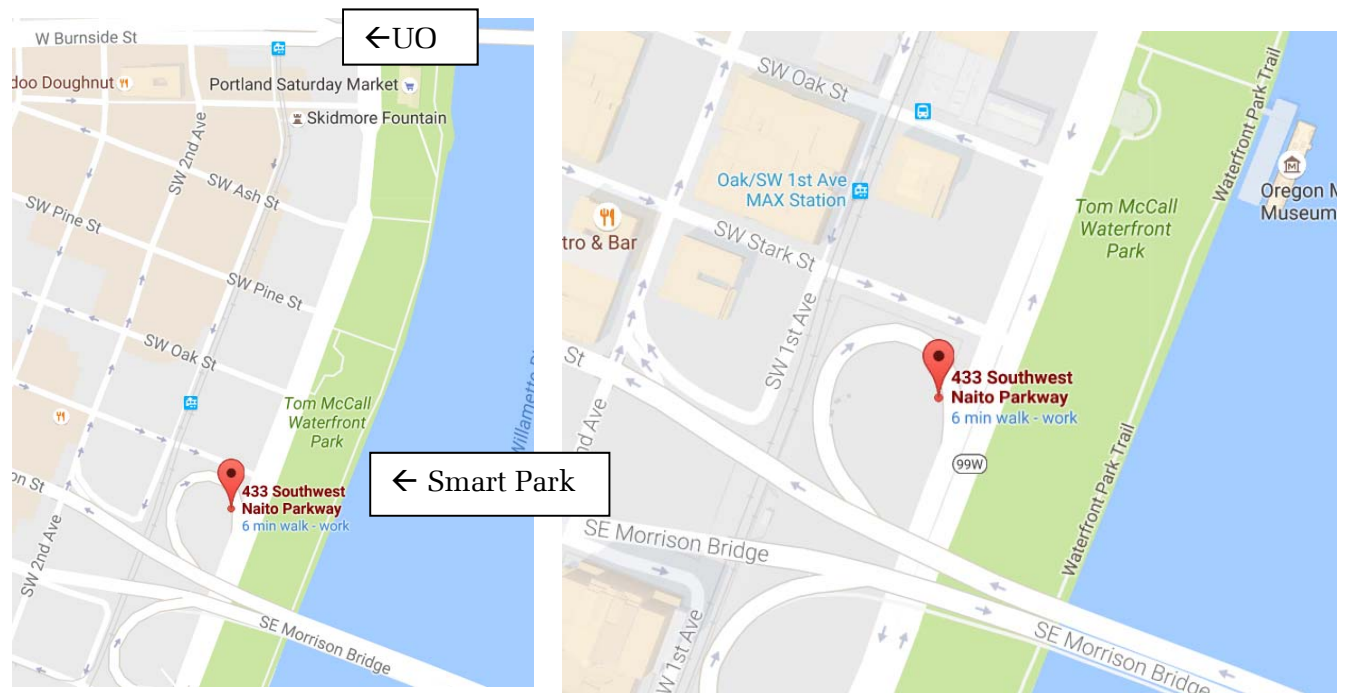

The closest Smart Park lot at 33 NW Davis (the next street heading north after NW Couch), but this is a small lot and along with other lots in the area, it fills quickly.

Public Lot under NW Natural Building, 220 NW 2nd Avenue, Entrance is on NW Everett NW Everett which is one-way towards Naito, so turn Left at Davis, Right at 2nd, and Right onto NW Everett and enter garage on right. This is a short walk to White Stag.

Public lot on West side of Morrison Bridge (near 433 SW Naito Pkwy).

The entrance is off SW Naito Parkway SOUTHBOUND. So if you are coming from I-5 you need to flip around at SW Oak and come back down SW Naito. Then walk about 5 blocks north on Naito to the White Stag at NW Couch.
