- ❖ Antoinette will inquire if the City can match and bring the position to full-time. What about Gresham? Erin Fairchild noted the connection to all kinds of youth violence. It will be housed at DCJ, but the hiring process will be collaborative.

There was a discussion about data. Jillian Girard noted Strategy 5 will be the first mock-up for showing outcomes. Alice Perry noted agencies are collecting data, and the gang assessment data needs to not burden agencies. We can be better at sharing the data we have.

Update on the PDX Youth Forum on Wednesday. The panel was a mix of law enforcement, prosecutors, and youth.

Update on Mentors Gathering:  
Christina Youssi will send out the link to register.

Lily noted we need to continue to engage youth.

Next meeting--Keep the June meeting at regular time. The agenda will focus around summer activities.

Updates:

- Antoinette thanked partners and mentioned the dialogue with Jo Ann Hardesty around gang issues.
- Parent Partnership Picnic will be on June 16th, 1-3pm. There will be parents, judges, law enforcement, etc. The handbook will be released. Communications should be there.
- Measure 11 Youth Internships update: Interns are talking in schools and sharing stories.

The meeting was adjourned.
