Address: 5421 NE 25th Ave

Email: schomakerc@gmail.com

Testimony:

With careful planning, it's possible to create opportunities for people to enjoy nature while also protecting it. Well-designed and constructed trails will limit habitat impacts by minimizing erosion and stream crossings, by providing corridors for wildlife to move, and by leaving the canopy intact.

The shared trails will be family friendly and designed for beginning and intermediate riders. Northwest Trail Alliance will be a key partner for Metro in the maintenance and monitoring of these trails.
