Executive Summary

A Home for Everyone (AHFE) has prioritized a range of highly effective housing placement and retention strategies focused on placing people directly from shelter in order to significantly reduce homelessness among vulnerable adult households. This program houses and retains men and women experiencing homelessness through limited duration rental assistance, mobile housing placement and retention support staffing, as well as culturally-specific services. All services are delivered through skilled nonprofit partners including culturally-specific providers.

Program Summary

For the majority of people experiencing homelessness, returning to permanent housing requires a combination of limited duration, highly flexible rent assistance, housing placement and retention support staffing, as well as income assistance. This housing placement and retention strategy, often referred to as "rapid rehousing" is a recognized national best practice and critical element of the housing placement strategies prioritized through A Home for Everyone to significantly decrease homelessness among those who are highly vulnerable in Multnomah County.

This program offer uses the range of existing housing placement and retention strategies developed and coordinated through A Home for Everyone, including key elements of the housing placement capacity expansion. These investments in rapid rehousing programs support the efforts of people experiencing homelessness to secure and retain permanent housing.

Services are delivered by highly skilled nonprofit partners and targeted to communities of color, women, and other vulnerable adults experiencing homelessness. They include flexible rent assistance and housing placement and retention staffing accessed through:

- · Emergency shelters and day centers: and
- Multi-agency mobile in-reach teams that include staff from culturally-specific, domestic violence, and behavioral health providers to assist adults in emergency shelters to more quickly exit shelter and return to housing.

Significant Program Changes

Last Year this program was: FY 2019: 10053D-19 Housing Placement & Retention - Placement out of Shelter

\$185,000 of City General Funds, previously contracted funds, are being reallocated into direct staffing to support the ongoing system-wide programming work of JOHS. We expect any reductions in household placements will be offset by improvements in the overall system support and service coordination resulting from more appropriate system staffing. This program includes reductions to the nonprofits who provide housing placement, and housing retention staffing and rental assistance available to the more the 1,000 adults who are sleeping in facility-based and other alternative shelter settings as part of the County's 3% General Fund constraint, see program 10059.
