Program Summary

MCSO provides 24/7 public safety coverage for the residents living in the unincorporated areas of Multnomah County. On the Eastside, these areas include the Columbia River Gorge and Corbett; the Westside includes Sauvie Island and Dunthorpe. Deputies are first responders to any emergency requiring an immediate response. Working with schools, businesses, and neighborhood associations, deputies seek to understand community needs and using problem solving skills to assess, investigate, and intervene in criminal activities.

This Community Resources Deputy position assigned to Corbett will be restored. It is not mandated but very valuable to the community. The CRD currently provides direct policing services to the community and helps resolve increased problems related to livability issues. District is heavily used by recreationalists and other diverse visitor user groups.

A visible public safety system is a critical factor to citizens feeling safe at home, school, work, and play. Evidence through the Bureau of Justice Administration studies shows that community policing is a proven and historical strategy to community safety.
