Each owner, upon acceptance of the deed to a unit, shall be deemed to have consented to the applicability of the provisions of these bylaws to such owner and to all rules and regulations promulgated by the Association pursuant thereto as the same may from time to time be amended. These bylaws and such rules and regulations shall likewise be applicable to the families of owners and tenants, employees and guests of owners.

1.4 Association Office. The office of the Association shall be located in the unit owned by the chairman of the Association, or in such other place as the Board of Directors may designate.

ARTICLE II

Purposes

2.1 This Association is formed pursuant to the provisions of ORS 91.500 to 91.671 and 91.990, the Oregon Unit Ownership Law, to provide a means for administration of the condominiums located on the property described in the Declaration.

ARTICLE III

3.2 Voting Rights. Since each owner, pursuant to the Declaration, has an equal interest in the general common elements, each owner shall have one vote for each unit owned in any matter on which voting rights are provided by the Oregon Unit Ownership Law or these bylaws. The declarant in the Declaration shall be entitled to one vote with respect to each unsold unit owned by Declarant.

When there is more than one record owner of a unit, all such owners may attend and participate in any meeting; but the vote for each unit shall be exercised as the persons holding such interests shall determine between themselves, provided that in no event shall there be more than one vote cast with respect to any such unit.

ARTICLE IV

Meetings

4.1 Organizational Meeting. The first meeting of the Association (hereinafter, the "Organizational Meeting") shall be held within 60 days after seven Units are sold and possession delivered by Declarant to purchasers.

4.2 Annual Meeting. The annual meeting of the Association shall be held in Wood Village, Oregon, or at such other place in Multnomah County, at such date and time as may be prescribed by the Board of Directors; provided, however, the Board of Directors shall schedule the first annual meeting, as well as subsequent annual meetings, in the same month during which the Organizational Meeting occurred.

4.3 Special Meetings. Special meetings of the owners may be called at any time by the Board of Directors and shall be called by the secretary of the Association upon written request of any two or more owners.

4.4 Notice. Notice of all meetings of owners shall be mailed by or at the direction of the secretary to each owner, postage prepaid, at the address thereof as shall appear in the records of the Association or is supplied by such owner to the Association for the purpose of notice. Such notice shall be mailed not less than seven (7) nor more than forty (40) days prior to the date of such meeting.

The notice of the meeting shall specify the place and time of the meeting, and in the case of a special meeting, the purpose of the meeting. For the purpose of this section only, if ownership of a unit is divided among several persons or entities, notices shall be sent to each such person or entity.

4.5 Waiver of Notice. Whenever any notice is required to be given to any owner in accordance with these bylaws, waiver thereof in writing signed by the person or persons entitled to such notice, whether it be before or after the time stated therein, shall be equivalent to the giving of such notice.

4.6 Quorum. The presence at any meeting in person or by proxy of a majority of the owners shall constitute a quorum for any action.

4.7 Proxy. An owner may vote in person or by proxy executed in writing and filed with the secretary prior to commencement of the meeting. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy. Such proxy shall be revocable and shall automatically terminate upon termination of an owner's status as such.

4.8 Vote Required. Except for matters on which a greater vote is required by the Oregon Unit Ownership Law, the Declaration or these bylaws, the action of a majority of those present at any duly called meeting of the Association at which a quorum is present shall constitute action of the Association.

4.9 Action by Unanimous Consent. Any action which may be taken by the Association may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the owners entitled to vote with respect to such matter. Such consent shall have the same force and effect as a unanimous vote and may be so described in any document required to be filed under the Oregon Unit Ownership Law, the Declaration or these bylaws.

4.10 Fiduciaries. A personal representative, guardian or trustee may vote, in person or by proxy, at any meeting of the Association with respect to any unit held by him in such capacity, whether or not the same shall have been transferred to his name; provided that he shall satisfy the secretary that he is the personal representative, guardian or trustee holding such unit in such capacity.

The limited common elements consist of twelve carports, twelve courtyards and twelve storage bins, one each of which is assigned and designated on the plat (i.e. Exhibit "B" attached hereto) as a limited common element appurtenant to and for the exclusive use of the Owner of the respective Unit.

4.3 Ownership Interest in Common Elements. Since each Unit contains approximately the same square footage, each Owner shall have an undivided one-twelfth (1/12th) (i.e., 940 square feet), interest in the common elements for each Unit owned.

4.4 Common Elements to Remain Undivided. Common elements shall remain undivided, and no owner shall bring any action for participation or division of any part thereof while the Property is subject to this Declaration.

ARTICLE V

Uses and Limitations of
Each Building and Unit

5.1 Use of Units. Each Unit is intended for use as a private residence for the Owner, his family and guests; except that each Owner shall be permitted to rent or lease his Unit as an apartment during periods when he shall not be

occupying such Unit. No lease or rental of a Unit shall excuse the Owner from payment of any charges and assessments to which his Unit is subject pursuant to this Declaration.

5.2 Limitation on Use. The following restrictions are applicable to the use of any of the Units:

5.2.1 No Unit shall be used for any purpose other than residential purposes. With the exception of an Institutional Holder in possession of a Unit following a default in a first Mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure, no Owner shall be permitted to rent or lease his Unit for transient or hotel purposes. No Owner may lease or rent less than the entire Unit. Any lease or rental agreement must provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration and the Bylaws and that any failure by the lessee to comply with the terms of such documents shall constitute a default under the lease. All leases and rental agreements must be in writing and be for continuous periods in excess of 29 days. Other than the foregoing, there is no restriction on the right of any Owner to lease or rent his Unit.

5.2.2 No animals or fowls shall be raised, kept or permitted upon the Property or any part thereof, excepting only domestic cats and one dog for each Unit and excepting caged pet birds kept within the Unit, providing such cats, dogs and pet birds are not permitted to run at large, are kept and maintained in strict accordance with all regulations of the Association and are not kept, bred or raised for commercial purposes or in unreasonable numbers.

5.2.3 No noxious or offensive activities shall be carried on in any Unit or in any part of the general common elements, nor shall anything be done or maintained thereon which may be or become an annoyance or nuisance to the other Owners.

5.2.4 No trucks, campers, trailers or boats shall be parked or permitted to remain in any portion of the general common elements, except in such specific parking areas as may be assigned by the Association.

5.2.5 No Owner or occupant shall remove or significantly alter any tree, shrub or any other improvement in any portion of the general common elements

unless permission in writing is first granted by the Association.

5.2.6 Nothing shall be done or kept by any Owner or occupant in any Unit or in the common elements which will increase the rate of insurance on the common elements without written consent of the Association. No owner shall permit anything to be done or kept in his Unit or in the common elements which will result in the cancellation of insurance on any unit or on any part of the common elements, or which would be in violation of any law.

5.2.7 All parts of the general common elements, including walks and the unassigned parking areas, are for the use of Owners on an equal basis. It shall be the responsibility of each Owner to allow maximum ease of pedestrian and vehicular ingress and egress over walks and unassigned parking areas allowing no obstruction or barrier on, across or adjacent to walks and unassigned parking areas.

5.2.8 In addition to all other remedies available for the enforcement of these covenants and restrictions, the Board of Directors shall have the power to establish, assess and collect fines for any and all violations.

ARTICLE VI

Limitation on Use of Common Elements

6.1 Each Owner's right to the use of the common elements shall be subject to the following limitations:

6.1.1 The right of the Association to limit the number of guests permitted to use the facilities which are a part of the common elements.

6.1.2 The right of the Association to charge reasonable admission and other fees for the use of any facility which is a part of the common elements, and to promulgate reasonable rules and regulations in regard to the use of such facilities.

6.1.3 The right of the Association to suspend the enjoyment rights of any Owner, member of his family, guest or tenant for any period during which any assessment remains unpaid and for any period not to exceed

thirty days for any infraction of published rules and regulations.

ARTICLE VII

Powers of Board of Directors

The Board of Directors shall have the exclusive right to contract for insurance upon the Units and general and limited common elements and for all goods and services necessary for the repair, maintenance and improvement of all general and limited common elements and shall have the power to assess the Owners on account thereof in the manner provided in Article VIII below and in the Bylaws. Until the first meeting of the Board of Directors, which shall occur within 60 days after seven Units are sold and delivered to purchasers, Declarant shall exercise all the powers of the Board of Directors, and shall have the power and authority to contract for insurance, goods and services on behalf of the Association for terms extending to, or beyond, the first meeting of the Board of Directors; provided, however, that such insurance, goods and services shall not be contracted for a period in excess of that normally to be contracted for by a prudent property owner.

ARTICLE VIII

Covenants for Payment of Share of Common Expenses and Special Assessments

8.1 Creation of Lien and Personal Obligation.
Each Owner upon acceptance of the deed to a Unit, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association:

8.1.1 His proportionate share of common expenses as determined by annual assessments or charges.

8.1.2 His proportionate share of reserves as determined in accordance with Section 8.4.

8.1.3 Special assessments for capital improvements as may be fixed, established and collected from time to time as hereinafter provided.

8.1.4 Fines assessed pursuant to Section 5.2.8 of Article V of these covenants and restrictions. Such annual and special assessments and fines, together with

interest thereon and cost of collection thereof as hereinafter provided, shall be a continuing lien against the Condominium of any Owner to whom such assessment and/or fine applies and shall also be the personal obligation of the person who is the Owner of such Condominium at the time when the assessment and/or fine falls due.

8.2 Purpose of Annual Assessment. The annual assessment levied by the Association shall be for the purpose of paying the excess of common expenses over common income and shall be deemed exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners, and in particular for the improvement and maintenance of property, services and facilities devoted to this purpose and related to the use and enjoyment of the common elements. Without limiting the generality of the foregoing, assessments for common expenses may be used to pay for the cost of leasing facilities for the use of Owners, for the cost of water and garbage removal, for the payment of insurance and ad valorem taxes upon the common elements and to establish and fund reserves in accordance with Section 8.4.

8.3 Basis of Annual Assessment. Unless changed by the membership as hereinafter provided, the maximum annual assessment (excluding the assessment for insurance as described in Article XIV hereof) for any Unit shall be \$600 per year. The Board of Directors shall, after consideration of current maintenance costs, income of the Association and its financial requirements, fix the actual annual assessment at an amount equal to or less than the maximum. Upon vote of the membership as hereinafter provided in Section 8.7, the Association may change the maximum annual assessment fixed by this section prospectively.

8.4 Reserves. In addition to the annual assessment provided hereinabove, the Board of Directors shall establish such reserves as good business judgment warrants for the improvement, repair or other needed expenditures of maintenance and replacement of the general common elements. To fund such reserves, the Board of Directors shall levy a monthly reserve fund assessment. All such reserves shall be held by the Board of Directors as trustees, in trust for the Owners as their contribution thereto shall appear, and shall not become the funds of the Association until the expenditures for which such reserve is created has become due and payable. Unless changed by the membership as hereinafter provided in Section 8.7, the maximum monthly reserve fund assessment for all of the Units shall be \$7 per month. The Board of

Directors may, after due consideration, fix the actual monthly reserve fund assessment at an amount less than the maximum. Upon vote of the membership as hereinafter provided in Section 8.7, the Association may change the maximum monthly reserve fund assessment fixed by this section prospectively.

8.5 Special Assessments for Capital Purposes.

Upon vote of the Association in the manner hereinafter set forth in Section 8.7, the Association may levy in addition to annual assessments, a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the cost of construction or reconstruction or expected repair or replacement of a described capital improvement upon the common elements including necessary fixtures and personal property related thereto.

8.6 Uniform Rate of Assessment and Sharing in

Common Profits. Both the annual and special assessments must be fixed at a uniform rate for all Units and may be collected on an annual, quarterly or monthly basis in the discretion of the Board of Directors. Any profits or income accruing to the benefit of the Property or the Association shall be divided equally among the Unit Owners.

8.7 Voting and Notices for Special Assessment and

Change of Maximum Annual Assessment and Reserve Fund Assessment. Any special assessment or change in maximum annual assessment or reserve fund assessment must have the assent of two-thirds of the Owners who vote in person or by proxy at a meeting duly called for that purpose, written notice of which shall be sent to all owners at least thirty days in advance of the date of such meeting, setting forth the purpose of the meeting; provided, however, that the amount of the maximum annual assessment set forth in Section 8.3 and the amount of the maximum reserve fund set forth in Section 8.4 shall be automatically increased annually by the percentage increase in the National Consumer Price Index, published by the U.S. Bureau of Statistics, at the beginning of the calendar year over the National Consumer Price Index at the end of the calendar year. In the event the National Consumer Price Index is no longer published at any applicable date, a substituted index shall be designated by the Board of Directors.

8.8 Date of Commencement of Annual Assessments.

The initial annual assessments for the excess of common expenses over common income shall commence on the first day of such month as determined by the Board of Directors, shall be made for the balance of the calendar year, and shall be

9 - DECLARATION

due and payable on the date fixed by the Board of Directors. Annual assessments for any year after the first year shall become due on January 15th of each year (or such other date or dates as are fixed by the Board of Directors) and shall be payable in equal installments on the following dates: January 15, April 15, July 15 and October 15.

The amount of the initial annual assessment for the first year in which assessments are made shall be prorated on a calendar year basis according to the date of the first assessment. The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

8.9 Date of Commencement of Reserve Fund Assessment. The initial monthly reserve fund assessment shall commence on the first day of such month as determined by the Board of Directors and shall be in the amount determined by the Board of Directors in accordance with the provisions set forth hereinabove.

8.10 Assessment to be Established by Board of Directors. The Board of Directors shall fix the amount of the assessment against each Unit for each assessment period and give the Owner subject to such assessment written notice of such assessment at least thirty days in advance of the due date thereof, and the Board shall cause to be prepared a roster of the Condominiums and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a letter signed by an officer of the Association setting forth whether the assessment has been paid. Such letter shall be conclusive evidence of the payment of any assessment therein stated to have been paid.

8.11 Effect of Nonpayment of Assessments. If an assessment and/or fine is not paid on the date when due, such assessment and/or fine shall become delinquent and shall, together with interest thereon and cost of collection thereof as hereinafter provided, continue as a lien on the Condominium against which such assessment and/or fine was made, and the Association shall comply with the provisions of ORS 91.546 with respect to such lien. The personal obligation of the then Owner to pay such assessments and fines, however, shall remain his personal obligation and the successor in title shall be liable therefor only as provided

10 - DECLARATION

in ORS 91.551. If the assessment and fines are not paid within thirty days after the delinquency date, the assessment and fines shall bear interest from the date of delinquency at the rate of ten percent per annum and the Association may bring an action at law against the owner personally obligated to pay the same, or may elect to foreclose the lien against the Condominium.

In the event a judgment is obtained in favor of the Association, such judgment shall include interest on the assessments and fines as above provided and a reasonable attorney's fee to be fixed by a court at either a trial or an appellate court level together with the costs and disbursements incurred. Any rentals received by the Association for the use of the Unit may be applied to such assessments and fines at the option of the Board of Directors.

8.12 Effect of Failure of Board of Directors to Set Assessment. The omission by the Board of Directors, before the time set herein, to fix the assessments hereunder shall not be deemed a waiver of or modification in any respect of the provisions of the Declaration or a release of the Owner from the obligation to pay an assessment or any installment thereof, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

8.13 Overassessment. At the end of each fiscal year of the Association, the Board of Directors shall cause to be repaid promptly to each Owner any amount by which his annual assessment during the fiscal year shall have exceeded the amount necessary to fund the difference between the common expenses and common income of the Association during such fiscal year. In lieu of refunding such overassessment in cash, the Board of Directors may credit the amount of such overassessment on the Owner's assessment for the succeeding fiscal year.

8.14 Subordination of the Lien to Mortgages. The lien of the assessments and fines provided for herein shall be subordinate to the lien of any Mortgage held by an Institutional Holder, provided, however, that such subordination shall apply only to the assessments and fines which have become due and payable prior to the sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments and fines thereafter becoming due, nor

from the lien of any such subsequent assessments and fines. No amendment to this paragraph shall affect the rights of the holder of any such Mortgage recorded prior to recordation of such amendment which does not join in the execution thereof.

8.15 Right of Institutional Holders to Vote at Association Meetings Under Certain Circumstances. If an Institutional Holder of a Mortgage on any Unit determines that the Board of Directors are not providing an adequate maintenance, repair, and replacement program for the Property, as required in paragraph 8.2, such Institutional Holder, at its option, may deliver a written notice to the Board of Directors by delivering the same to the person named in Article XVII, setting forth the particular defect that it believes exists in the maintenance, repair, and replacement program. If the specified defects are not corrected within 90 days subsequent to the receipt of such notice, then the Institutional Holder, upon written notice to the person named in Article XVII that it is exercising its proxy rights thereunder, shall have the right to attend succeeding annual or special meetings of the Association and to cast a vote for each Condominium on which it holds a mortgage lien on all business coming before such meeting, which said proxy rights shall continue until the defects listed on the aforementioned notice are corrected.

8.16 Prior Written Approval of Institutional Holders Required Under Certain Circumstances. The prior written approval of each Institutional Holder of a first Mortgage or equivalent security interest, hereinafter called "First Mortgage," will be required for the following:

8.16.1 The abandonment or termination of the project, except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

8.16.2 Any material amendment to the Declaration or to the Bylaws, including, but not limited to, any amendment which would change the percentage interests of the Owners;

8.16.3 The partitioning or subdividing of any Unit.

Each Institutional Holder shall be entitled to notice of all meetings of the Association and the right to attend such meetings upon written request to the Board of Directors.

15.1 Application of Insurance Proceeds. In case of fire, casualty, or other insured loss, the insurance proceeds of insurance policies covering such loss, if sufficient to reconstruct the buildings damaged or destroyed, shall be applied to such reconstruction. "Reconstruction" of the damaged or destroyed buildings, for purposes of this Article XV, means restoring the buildings to substantially the same condition in which they existed prior to such loss, with each Unit and the common elements having the same vertical and horizontal boundaries as before. Final approval of such reconstruction shall be made by the Board of Directors.

15.2 Procedure if Insufficient Insurance Proceeds. Such deficiency shall take into consideration with respect to any Owner's contribution, any individual policy insurance proceeds provided by such Owner.

15.3 Owner's Rights if Substantial Destruction of Properties. If three-fourths or more in value of all of the buildings on the Property are destroyed or substantially damaged, and if the Owners by a vote of at least three-fourths thereof decide, within sixty (60) days after such destruction or damage, not to make provision for repair, reconstruction or rebuilding of the damaged buildings, the Property shall be considered to be removed from the provisions of the Oregon Unit Ownership Law, with the legal consequences resulting therefrom as set forth in ORS 91.591 and 91.593. In such event, the Board of Directors shall file a notice of the decision of the Owners within the above-described 60-day period with the County Recorder of Multnomah County.

Condemnation

16.1 Taking of General Common Element(s) Only. If part of the Property is taken or condemned by any authority having the power of eminent domain such that no Unit nor any

part thereof is taken, and no part of a limited common element to which a Unit has exclusive use is taken, then all compensation and damages for and on account of the taking of the common elements, exclusive of compensation for consequential damages to certain affected Units, shall be payable to the Board of Directors as trustee for all Owners and Mortgagees according to the loss or damages to their respective interests in such common elements. The Association, acting through its Board of Directors, shall have the right to act on behalf of the Owners with respect to the negotiation and litigation of the issues with respect to the taking and compensation affecting the common elements, without limitation on the right of the Owners, or any Mortgagee of any one or more Units, to represent their own interests. Such proceeds shall, subject to the prior rights of such Mortgagees, become part of the reserve funds of the Association. Nothing herein is to prevent Owners whose Units are specially affected by the taking or condemnation proceedings from joining in such proceeding and petitioning on their own behalf for consequential damages relating to loss of value of the affected Units, or personal improvements therein, exclusive of damages relating to common elements. In the event that the condemnation award does not allocate consequential damages to specific Owners, but by its terms includes an award for reduction in value of Units without such allocation, the award shall be divided between affected Owners, subject to the rights of Mortgagees of such Units, by the Board of Directors.

16.2 Taking of Unit or Portion of Limited Common Element(s). If part or all of the Property is taken or condemned by any authority having the power of eminent domain such that any Unit or a part thereof (including a limited common element) is taken, the Association shall act on behalf of the Owners with respect to common elements as set forth in the preceding paragraph, without limitation on the right of any Mortgagees of any one or more Units to represent their own interests, and the proceeds shall be payable as outlined therein. The Owners directly affected by such taking and their respective Mortgagees shall represent and negotiate for themselves with respect to the damages affecting their respective Units (including the taking of a limited common element). The awards so made shall, subject to the prior rights of Mortgagees, be used and distributed by the trustee first to restore the Units and limited common elements in the same manner as provided for restoration under Article XV hereof to the extent possible, attempting to rebuild buildings containing new units of the same number, size and basic plan as the Units taken, with any excess award distributed in accordance with the provisions of Article XV hereof. In the event the Board of Directors

determines that such a taking so removes land and buildings containing Units that they cannot effectively be restored substantially in compliance with the building plans, and unless seventy-five percent (75%) of the Owners and Holders of First Mortgages encumbering seventy-five percent (75%) of the undivided interest in the common elements vote to accept an alternative plan, the Board of Directors shall submit the issue to arbitration in accordance with the then current rules of the American Arbitration Association for remedies with respect to the continued existence or reform of East Village Condominium, the division of the award as to the taken and remaining Units, and such other remedies as may be required, provided that no such award shall impair the validity or priority of or affect any rights or remedies of any Mortgagee.

ARTICLE XVII

17.1 The name of the person designated to receive service of process in the cases provided in ORS 91.5.3(1) is Joseph S. Voboril and his place of business within Multnomah County, Oregon is Tonkon, Torp & Galen, Attorneys at Law, 1010 Public Service Building, Portland, Oregon 97204.

ARTICLE XVIII

Personal Property

18.1 The Board of Directors may acquire and hold, for the benefit of the Owners, personal property of any description and may dispose of the same by sale or otherwise. The beneficial interest in such personal property shall be owned by the Owners in the same proportions as their respective interests in the general common elements, and shall not be transferable by an Owner except with the transfer of a Condominium. Transfer of a Condominium shall transfer ownership of the transferor's beneficial interest in such personal property to the transferee.

Voting Rights

19.1 Since each Owner, pursuant to Section 4.3 of this Declaration, has an equal interest in the common elements, each Owner shall have one vote for each Unit owned on which voting rights are provided by the Oregon Unit Ownership Law or the Bylaws. The Declarant shall be entitled to one vote with respect to each unsold Unit owned by Declarant. When there is more than one record owner of a Unit, all such owners may attend and participate in any meeting; but the vote for each Unit shall be exercised as the persons holding such interests shall determine between themselves, provided that in no event shall there be more than one vote cast with respect to any such Unit.

ARTICLE XX

Enforcement

20.1 The Association or any Owner shall have the right to enforce by any proceeding at law or equity all restrictions, conditions, covenants and reservations imposed by this Declaration, and a similar right shall exist with respect to recovery of damages for any such violation. In any suit or action contemplated by this section, the prevailing party shall be entitled, in addition to costs thereof, to such attorney's fees as may be awarded by the court in such suit or action, including attorney's fees on any appeal of a judgment or decree.

ARTICLE XXI

21.2 Amendment.

(a) Except as otherwise provided herein, this Declaration may be amended by an instrument in writing signed and acknowledged by Owners holding seventy-five percent (75%) of the voting rights hereunder. (b) At any time during presales and prior to the transfer of possession and ownership of any Condominium to its Owner, Declarant shall have, and hereby reserves the right, with the consent of the Oregon Real Estate Commissioner, to amend, alter or withdraw this Declaration in whole or in part. Declarant's withdrawal of this Declaration in full shall relieve the real property of its submission to unit ownership under the Oregon Unit Ownership Law.

21.3 Severability. The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision shall not effect the validity or enforceability of any other provision hereof.
